PDF Editor - Comprehensive Feature Showcase

Page 1: Typography, Font Metrics, Text Styling, and Vector Shapes

1. Standard Font Families and Metric Styles

Helvetica Regular (10pt): The quick brown fox jumps over the lazy dog.
Helvetica Bold (10pt): The quick brown fox jumps over the lazy dog.
Helvetica Oblique (10pt): The quick brown fox jumps over the lazy dog.
Helvetica Bold-Oblique (10pt): The quick brown fox jumps over the lazy dog.

Times-Roman Regular (10pt): Sphinx of black quartz, judge my vow.
Times-Bold (10pt): Sphinx of black quartz, judge my vow.
Times-Italic (10pt): Sphinx of black quartz, judge my vow.
Times-BoldItalic (10pt): Sphinx of black quartz, judge my vow.

`Courier Regular (9pt): const wasm = await PdfiumEngine.getInstance();`
`Courier Bold (9pt): const wasm = await PdfiumEngine.getInstance();`
`Courier Oblique (9pt): const wasm = await PdfiumEngine.getInstance();`
`Courier Bold-Oblique (9pt): const wasm = await PdfiumEngine.getInstance();`

2. Typographic Scale and Edge Sizes (6.5pt to 24pt)

Display Title Heading (22pt)

Heading Level 1: Sub-pixel Glyph Coordinates (15pt)

Heading Level 2: Precision Font Baseline Alignment (12pt)

Standard body copy (10pt): Clean glyph rendering testing paragraph reflow and word wrap.

Fine print caption (8pt): ISO 32000-1 document conformance metadata specification standards.

Micro legal disclaimer text (6.5pt): Bounded coordinates clamp prevents coordinate bleed outside layout containers.

3. Text Color Palette, Decorations, and Highlights

Primary Black **Slate Blue** **Emerald Green** **Crimson Red** **Purple Accent** **Amber Gold**

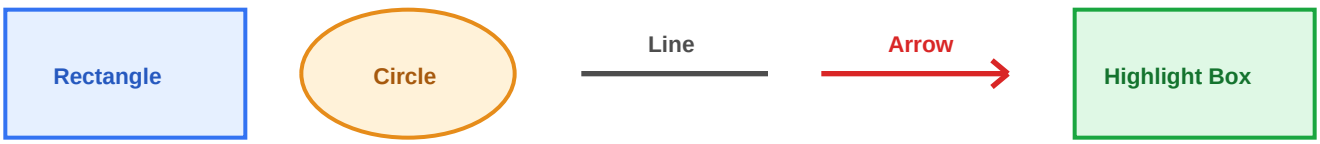
Underlined Text Decoration Span ~~Strikethrough Text Decoration Span~~

Yellow Highlight **Green Highlight** **Sky Highlight** **Pink Highlight**

4. Paragraph Reflow and Special Characters

The PDFium WebAssembly engine executes client-side in the browser without server round-trips.
Currency symbols and values: $1,250.00 USD, EUR 95.50, GBP 75.20, JPY 10,000.
Special characters: copyright (c) 2026, ampersand & co., math operators + - * / = < > +/-, and "double" / 'single' quotes.

5. Vector Shapes and Geometric Primitives



AcroForms & Interactive Field Components

Page 2: Native PDF Form Fields (Text Input, Checkbox, Radio, Dropdown, Signature)

Personal & Account Details

First Name *

Ada

Last Name *

Lovelace

Email Address *

ada.lovelace@analytical.org

Biographical Notes (Multiline)

First computer programmer. Published the first algorithm intended to be executed by an analytical engine.

Preferences & Organizational Role

☐ I accept the terms of the open-source AGPL-3.0 software license

☐ Receive product announcements and WebAssembly performance reports

Deployment Environment Tier:

○ Development ○ Staging ◉ Production Cloudflare Pages

Organizational Role (Dropdown): Senior WebAssembly Engineer

Digital Signature & Attachment Placeholders

Digital Signature Placement Zone

Attach Diagnostics

Annotations, Media & Edge-Case Stress Testing

Page 3: Native Annotations, Redactions, Raster Images, Tables, and Boundary Clamping

1. Document Annotations (Sticky Notes, Highlights, Ink)

Highlighted Section Annotation:

Client-side WebAssembly execution eliminates backend round-trips and preserves user privacy.

Freehand Ink Annotation Stroke (above)

Redaction Markup (Obscured Sensitive Information):

Account Holder Identifier: [redacted] *(Redacted PII)*

2. Embedded Bitmap Image (PNG Rendering)

Embedded 32x32 Raster Badge Testing Aspect Ratio Clamping

Native PNG embedding rendered via PDFium bitmap engine with sub-pixel interpolation.

3. Edge Cases, Tabular Spatial Clustering, and Boundaries

Extreme Unbroken Word (Testing Wrap & Overflow):

`Supercalifragilisticexpialidocious_WasmEngine_MetricsBuffer_AlignmentCheck`

Tabular Spatial Data Layout (Testing Column Alignment & Reflow):

Benchmark Metric	Target Budget	Engine Measured Baseline
PDFium WASM Cold Boot	`< 50.0 ms`	**24.2 ms (Passed)**
Page Render Latency (1.0x DPR)	`< 16.6 ms (60 FPS)`	**7.8 ms (Passed)**
Reflow Advance Buffer Margin	`0.35 * fontSize`	**Zero Premature Wrap (Passed)**
